

Horizontal cable manager

LX-CMH-1U

LX-CMH-2U

Overview

Horizontal cable managers ensure optimal cable radius to prevent deterioration or breakage. Flexible fingers maximize the care and protection of the equipment and cables, keeping the structured cabling system unhurt and totally functional. Removable cover makes it easy to add or remove bundled cables quickly.

High capacity horizontal cable managers provide an efficient way to manage high performance copper, fiber and etc. on any 19" rack.

Features

- Integral bend radius control - Maintains bend radius as cables transition to and from horizontal and vertical path ways.
- Flexible finger dusts - Provides for easy installation and organizes cables simplifying moves, add-ons, and changes.
- Cable pass through holes - Provides ease of installation and cable maintenance.
- Available in 2U version

Product Specifications

Part Number	LX-CMH-1U	LX-CMH-2U
No. of Rack Spaces	1U	2U
Style	Finger Duct with Cover	
Material	ABS	Cold rolled steel
Color	Black	
Orientation	Horizontal	
Pass-through Holes	2	
Detachable cover	Yes	
Application	Fiber, Copper and etc.	
Dimensions (W x H x D)	483 x 44.5 x 65mm	483 x 88 x 70mm

Shipping Information

Package Contents	Horizontal cable manager, 1 unit
Package Dimensions(W*H*D)	Individual internal box for each piece 540 x 450 x 510 mm (50 Pcs per outer carton - 1U) 500 x 450 x 500 mm (25 Pcs per outer carton - 2U)
Material	Carton box
Weight	It depends on the dimensions of the product
Lead Time	15 working days normally
